SIR,

Subject: Treating Kolar Gold Fields as a City for the purpose of pay to the menial staff of the Food Department in the area.

In forwarding herewith a copy of letter No.F.S.1044/47-48 dated 8-11-47 from the Deputy Commissioner, Kolar District, together with a copy of its enclosure, I have the honor to state that it has been represented that the menials of the Food Department, working in the K.G.F., area should be given the same scales of pay as those working in the Cities of Bangalore and Mysore for the reason that K.G.F. is a thickly populated area and that it is a very costly place, the cost of living being equal to that of Bangalore and Mysore Cities and even more. It is ascertained that the Chief Inspector of Mines and Explosives in Mysore, Oorgaum and the District Medical Officer, Kolar have already drawn the City rates of pay for the menials of their respective departments living in the K.G.F. Area.

The Auditor & Accounting Officer of this Department is of opinion that only formal sanction of Government is required for allowing the city rates of pay to the menials of the Food Department in the K.G.F. area as K.G.F. is not technically declared a City area though in the annexure to the Government Order dated 21-9-47 the menials of the Mines and Medical Departments in the K.G.F. area are allowed City rates of pay.

In the above circumstances I request that sanction of Government may kindly be obtained early for the payment of the City rates

rates of pay to the menials of the Food Department in the K.G.F. area.

The file of connected references is enclosed for reference and kind return when done with.

I have the honor to be,
Sir,
Your most obedient servant,

AMD.21-3.

DIRECTOR OF FOOD SUPPLIES.

Letter No.FS.1044/47-48 dated 8th Novr.1947, from the Deputy Commissioner, Kolar District, to the Director of Food Supplies in Mysore, Bangalore.

In forwarding herewith a copy of letter No.R.C.1102/47-48 dated 3/11/47 from the Rationing Authority, Kolar Gold Fields, in the matter of allowing the menial staff of the Food Supply Department of the Kolar Gold Fields area to draw the scale of pay applicable to those in the cities, I have the honor to state that life at Kolar Gold Fields is as costly as it is in any of the Cities of the State.

In view of the circumstances, explained in the above letter, I request that Government may be kindly addressed to treat Kolar Gold Fields as a City and rates of pay sanctioned to Cities may be made applicable to that area also.

Enclosure.

Letter No.R.C.1102 dated 3/11/47 from the Food Rationing Authority, Kolar Gold Fields to the Deputy Commissioner, Kolar District, Kolar.

Regarding Revised rates of pay sanctioned in G.O.of 6-9-47.

With reference to your Memo No.MS.C.764/46-47 dated 28/10/47 on the above subject issuing instructions to draw the pay of the peons and daffedars of the Food Department as per the revised rates of pay sanctioned in G.O.of 6-9-47, I have the honor to state that the population of K.G.F. area is nearly one and half lakhs and as such K.G.F. deserves to be classified as a City and the revised pay sanctioned for the peons etc., working in Bangalore and Mysore Cities in the above G.O. could be made applicable to the menial staff working in K.G.F. In this connection I wish to bring to your kind notice that K.G.F. is a very costly place and the cost of living is equal to that of Bangalore City or even more. It is therefore quite reasonable to treat K.G.F. as a City and the peons and others given the same pay as that sanctioned in Bangalore and Mysore Cities.

In the circumstances stated above, I request you to kindly addresse Government suitably and obtain necessary orders in the matter.

B 2) The Deputy Commissioner, Kolar in his letter to the Director of Food Supplies (No.F.S.1044/47-48 dated 8-11-47) endorses the view of the Food Rationing Authority, K.G.F. ---

According to G.O No M 1865-1925/SW 25-47-3 dated 6-9-47 different Scales of pay are fixed for the menials in the cities, Districts and Talukas. It is not clear whether the M.G.F. area may be treated as a city on population basis without reference to Govt; it is not also known how this area is treated for giving effect to revised Scales of pay in the case of the menials of other Offices in that area.

Yes. This is not a point pertaining to the Food Deptt only. There are Offices of other Depts also we may enquire how the menials in those Offices are being paid. GFS 21.11.47
